

Rule 2.4A Additional Receipts and Disbursements

Receipts and disbursements received or made after filing the account and petition for adjudication/statement of proposed distribution may be accounted for in a supplemental account, which shall be signed and verified by the accountant(s) and filed with the clerk, with notice in the same manner as required by Pa. O.C. Rule 2.5(a) - (g) with respect to an account. A copy of the supplemental account shall be presented to the court at the audit.
